Hi Conrado,

You are correct on the amount for to include an additional mosaic tile for the Highland Park Streetscape Project. \$12,000.00 would cover the tile mosaic, labor and contingency amount for the project. This would bring the entire number of mosaic tiles to 15. Please let me know if you have any further questions.

Sincerely,

Hi Alain,

Please let me know if I have the facts correct for a motion:

The City of LA shall pay \$12,000 for an additional tile mosaic for the Highland Park Tile Mosaic project and accept \$6,000 from the North Figueroa Association to pay 50% of the cost of this mosaic.

The council on recess until next Tuesday. I will confer with our City Hall staff to get this introduced.

Thanks.
